Low Voltage Cables & Building Wires (Sample, Catalogue & Tech. Data) - (RESCAB)

SBH-00-000-AA-MA-MP-0567 Rev. 01

With reference to the Low Voltage Cables & Building Wires (Sample, Catalogue & Tech.Data) - (RESCAB) material submittal number Ref. SBH-00-000-AA-MA-MP-0567 Rev. 01 received on Apr. 03, 2018 please are advised that the submittal has been reviewed and given Status "B" approved as noted with the following comments below.

1. The approved sample submitted shall be comply with the approved drawings & SLD
2. All low voltage indoor cables & wires must be LSHF including the grounding cables as per project specification 16126 and approved drawings.
3. All low voltage outdoor cables shall comply with project specification 16126 and approved shop drawings.
4. Cable size and type shall be as per final approved SLD / shop drawings and complying with SEC standard.
5. Stamped factory test report and grantee letters from the manufacturer shall be submitted prior to material delivery.
6. All submitted legal/governmental certificates to be renewed, as applicable and to remain valid during the project life cycle.

Note:

As per MOI Letter Ref. 6527 dated 14/07/1437 H, Contractors have to adhere to the following:

- A. Contractors should submit three (03) Suppliers and Manufactures per each material or equipment, as per Contract Particular Conditions Clause# (07) and Clause #(30) Item [30.2]
- B. Local Manufacturers have the priority and shall prevail, as per Contract General Conditions Clause #(12) Item [12.2.1] and Ministerial Decree no. 41559 dated 6/4/1435 H
- C. Each Material should be supplied to each site by One Manufacturer/Supplier only

Disclaimer: This conditional approval will be subjected to verification for compliance with the applicable comments and all relevant terms and conditions of the contract. This code 'B' approval does not relieve the contractor of ANY obligation under the contract and is independent of any future review and submitted approved design.

This is for your information and relevant action.
